**data processing and management:**

(1) The personal data provided by the participant when registering will be stored and processed only for the purposes of holding and processing the event. This applies in particular to the data required for payment processing. By registering, the participant agrees to the storage of data for these purposes.

(2) By registering, the participant agrees that his or her surname, first name, year of birth, club and national association may be used for start- and result-lists and the photos, film footage and interviews made in connection with his participation in the event are disseminated and published nationally and internationally, in particular on the Internet, without any claim to remuneration.

(3) In the case of multiple registrations, the registrant declares that he/she has informed each of his/her registered athletes of paragraphs (1) and (2) and that he/she and his/her parents (in the case of minors) have agreed to these.
