

German Association for Modern Pentathlon e.V.

International German Obstacle Laser Run Championships

Sunday, July 6, 2024, Nuremberg

Organizer:	German Association for Modern Pentathlon e.V. (DVMF)
Organizer:	TSV Katzwang 05 e.V., modern pentathlon department
Sports venue:	Sports grounds of TSV Katzwang 05 e.V., Ellwanger Straße 7, 90453 Nuremberg
Competition rules:	The rules of the DVMF competition regulations Obstacle Laser Run apply in the valid version: https://www.dvmf.de/weitere-mehrkaempfe/laser-run
Competition categories and age groups:	Elite and open category: U15 to Masters 60+ (individual and mixed/WW/MM relay teams) Fun category: U15 to Masters 60+ (individual and relay teams)
Participants:	<p><u>Elite category</u> Athletes who are members of a sports club that belongs to a DVMF state association, have a properly valid DVMF sports pass with a 2024 annual license and have permanent residence in Germany (with a corresponding residence permit).</p> <p><u>Open category and fun category</u> Anyone can take part in competitions in the open category and the fun category. Athletes with the right to compete for a club or association from Russia or Belarus are currently excluded from participation. All participants are responsible for their own health. Participation of minors in the elite category and in the open category only with a valid health certificate (not older than 1 year).</p>
Scoring:	<p>For all age groups, in addition to the classification of the elite categories, a combined overall classification with the open category will be held. There will be a separate ranking for all age groups in the fun category. Relay teams whose relay partners belong to different age groups will be assigned to the age group with the higher performance. If Masters start with athletes in the Junior age group or younger, the relay team will be classified in the Senior age group. Several age groups may start in one race.</p>
Titles and awards:	<p><u>German champion</u> The title of German Champion is only awarded to participants in the elite category. The top three in each age group receive medals; all receive certificates.</p> <p><u>German Relay Champion</u> The title of German Relay Champion (Mixed/FF/MM) is awarded exclusively to relay teams in the elite category; all relay teams receive certificates.</p> <p><u>Winner of the combined classification & winner of the combined relay classification</u> The awards Winner of the combined classification and Winner of the combined relay classification will be awarded to participants in the combined overall classification of the elite category and open category; all individual participants and all relay teams will receive certificates.</p>

Fun Champion & Fun Champion Relay

The Fun Champion and Fun Champion Relay awards will be given to participants in the Fun category; all individual participants and all relay teams will receive certificates.

Obstacle course:	70 m outdoor course with eight obstacles of the UIPM course type "Category A, B, and C Competition" with electronic timing. Obstacle no. 3 (LOC CHOICE 1) is "Over-under-through" and no. 5 (LOC CHOICE 2) is "Balance Beam" according to UIPM Obstacle Competition and Equipment Guidelines.
Running course and timing:	Synthetic running track and grass (spikes up to 6 mm length allowed); electronically assisted manual timing.
Shooting ranges:	18+ 2 competition laser shooting lanes (Hit&Miss laser targets with external display screens and shooting tables with support mats) and 10 separate shooting lanes for warm up. Laser pistols can be rented to a limited extent and for a fee.
Qualification for participation in the final:	If there are more than 18 total entries per age group in the Elite and Open competition categories, preliminary heats will be held to allocate starting places in the finals in accordance with the DVMF Laser Run competition regulations. The same applies to the relay teams. In the Fun category, if there are more than 18 entries per age group, several heats will take place; the participants will be placed in the order of their finishing times.
Entries:	DVMF regional associations, clubs and schools must register their participants and supervisors from May 28, 2025 on the portal www.Laser-Run.de . If not already done, registration is required beforehand. For the Open category and the Fun category, participants/chaperones can also register themselves (or their legal guardians in the case of minors) in accordance with the above requirements. The registration confirmation will be sent by e-mail after receipt of the registration fee (and any applicable pistol rental fee) and must be presented at check-in.
Entry deadline:	Monday, June 30, 2025.
Entry fee:	Elite category and Open category: 45€ per individual participant, 45€ per relay team; Fun category: 35 € per individual participant, 35 € per relay team. Rental fee for laser pistols (if available): 5€ (per competition). Rental pistols will be reserved in the order in which the entry fee and rental fee are received in full.
Liability:	Organizer and host assume no liability for accidents, loss of objects and damages of any kind. Otherwise the legal regulations apply.
Preliminary schedule:	<u>Friday, July 4, 2025</u> 4 - 6 pm: Free training on the obstacle course. <u>Saturday, July 5, 2025</u> After the end of the IDM Laser-Run award ceremony (approx. 16:30), the obstacle course will be available for free practice for 90 minutes. <u>Sunday, July 6, 2025</u> 08:00 am: Start of shooting at both laser shooting ranges 08:15hrs: Technical briefing 09:00 am: Competition with the start of the first obstacle race in the elite category. The order of the races depends on the number of entries in the individual age groups. The individual races will start first, followed by the then the relay races. If qualification heats are required, these will take place these will take place at least two hours before the corresponding finals. From 15:30: Award ceremony The final schedule will be published on July 2, 2025 on www.Laser-Run.de
Accommodation & catering:	Participants are responsible for their own accommodation. There is a wide range of accommodation available in and around Nuremberg. A wide range of food and drink will be available on site.

- Miscellaneous:** On the entire competition site, shooting practice is only permitted at the competition laser shooting range (during the warm-up) and at the separate break-in laser shooting range, as well as in separately marked areas if necessary.
- Data processing and utilization:**
- (1) The personal data provided by the participant when registering will be stored and processed only for the purposes of holding and processing the event and for compiling and maintaining ranking lists and providing information about other laser run competitions. This applies in particular to the data required for payment processing. By registering, the participant consents to the storage of data for these purposes.
 - (2) By registering, the participant agrees that surname, first name, year of birth, club, school and national association for start and result lists and the photos, film recordings and interviews made in connection with his/her participation in the event may be distributed and published nationally and internationally, in particular on the Internet, without any claim to remuneration.
 - (3) In the case of collective registrations, the applicant declares that he has informed each of his registered athletes of paragraphs (1) and (2) and that they or their parents (in the case of minors) have given their consent.
 - (4) Participants may withdraw their consent given in accordance with paragraphs (1) and (2) with effect for the future. If the withdrawal takes place before the competition, participation in the competition is not possible.
- Equality:** For reasons of simplification and to improve readability, only one gender-specific form is used in this invitation to tender. This is not intended to imply discrimination of any kind against the other gender within the meaning of §1 AGG.
